Work Experience

Tiro Media Ltd, Manchester (United Kingdom) *(January 2021 / July 2025).*

I worked as a Junior Web Developer for a digital company remotely from Cardiff. In this role, I have created and customized web pages using HTML, CSS, and Bootstrap, as well as improved my CMS skills with WordPress, including developing basic PHP features to integrate into themes. I have also strengthened my teamwork abilities by collaborating effectively in a fast-paced environment with tight deadlines.

OPOP Media Ltd, Manchester (United Kingdom) *(2 Week – Work Placement).*

I joined a team working on the front-end development of an insurance website, developing some basic features using the GULP framework and SASS preprocessor. Also, I developed strong teamwork skills in a fast-paced environment with tight deadlines.
